

# HOW TO APPLY

## TO COLLEGE OR OTHER PROGRAMS

### • GO TO THE SCHOOL'S WEBSITE

- Google the school and/or make sure you are on the official site (it will usually end with .edu)
- Look for "ADMISSIONS" or "APPLY NOW"
- You can check the admissions requirements on their site
- Be sure you are looking at Undergraduate info

### • CREATE AN ACCOUNT

- You will almost always need to create an account. Use a personal email to create the account and make a note of your username and password.
- Take your time and answer each question.
- Choose the program you are most interested in; you will be able to change it if you change your mind.
- Submit your application along with any fees.

### • SEND TEST SCORES/TRANSCRIPT

- If required, go to College Board or ACT online to send your test scores.
- Send your transcript using Parchment.com
