(includes: overnight accommodations in the residence hall, food, t-shirt, activities, etc.)

Scholarships are available!!!!!

Applications can be found at camps.wvutech.edu/camp-stem

Camp STEM is southern West Virginia's premiere camp for high school students interested in science, technology, engineering and math fields. The week-long camp is held on WVU Tech's Beckley, WV campus, and features a variety of STEM classes, special projects and meet with industrial leaders. During Camp STEM, you'll meet professors who are experts in their fields and college students studying the STEM fields that interest you. You'll attend classes, conduct experiments and learn about the exciting careers waiting for men and women in STEM fields.
