Please bring the following with you:

- **Your FSA ID**

If you haven't done so already, create an FSA ID, which is your account username and password. The FSA ID is a digital legal signature that lets you complete and update the FAFSA form, so create your own and keep it safe. Parents of dependent students will need to use their own FSA ID to complete the FAFSA process. We recommend creating your account early—even before you're ready to complete the FAFSA form. This extra step can avoid delays in the process, especially since it can take up to three days before you can use your FSA ID. <https://studentaid.gov/fsa-id/create-account>

- **Your Social Security Number**

- **Your Driver's License Number**

- **Your Federal Income Tax Return**

On the 2026–27 FAFSA form, you (and your parents, if you are a dependent student) will report your 2024 income.

- **Records of Your Untaxed Income**

- **Records of Your Assets (Money)**

- **List of the School(s) You Are Interested in Attending**
